

Information regarding coronavirus (covid-19)

If you show one or some of the following respiratory symptoms; nasal congestion and sneezing, cough (wet, dry or productive coughs), difficulties in breathing/swallowing/talking, soared throat or have a fever, **you are not allowed on the premises of Kriminalvården**. These can be signs of a respiratory infection.

In the past 14 days if you have associated with a person who is under investigation or tested positive of the corona virus, **you are not allowed on Kriminalvårdens premises**.

*Call 1177 for further guidance on sampling of the virus.
If you have questions regarding the coronavirus, please call 113 13 for more information.*

To inmates: If you have a scheduled meeting, if you´re back from granted permission, or attend in person and suspect you´re infected? Please call Kriminalvårdens support and get in contact with your case worker at 077-228 08 00
